

March 2012

Dear Friends,

I just posted a collection of photos from our recent Spring Celebration performance. Wow! What a bunch of smiles on the kids! I've included a few photos for you here, but if you have access to Facebook, you can view more at: <http://www.facebook.com/media/set/?set=oa.339280102790268&type=1>. You can tell the kids are just thrilled to be able to dress up and show off their stuff onstage.
